How to get to Figueira-da-Foz

Figueira da Foz is located on the Atlantic coast of central Portugal, approximately 160 km north of Lisbon and 110 km south of Porto (international airports).

The city can be reached from both airports by a combination of train, bus, or car. From Coimbra (about 40 km away), there are regular regional trains and buses connecting to Figueira da Foz.

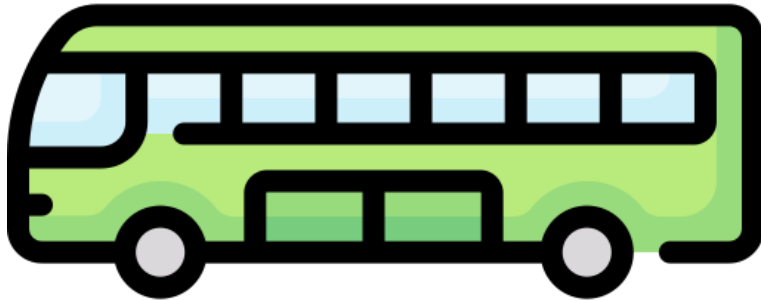

Travelling to Figueira-da-Foz from Lisbon Airport

- **By Train:**
- To reach Figueira-da-Foz by train, you must first travel from Lisbon Airport to **Oriente Station**.
- You can do this by:
 - Taxi (Cost: 10-20 EUR): A direct ride to Oriente Station.
 - [Metro](#) (Cost: 1.85 EUR, contactless payment accepted, no need for a ticket): Take the **Red Metro** Line from the Airport toward São Sebastião and exit at Oriente Station.
- Once at Oriente Station, you can purchase your train ticket. There are two main travel options:
 - **Take a fast train (AP or IC) to Coimbra-B**, then transfer to a regional train (U) to Figueira-da-Foz.
